The concurrent exhibition has over the years showcased global technology & equipment suppliers displaying the latest in equipment, technology, services & solutions for prevention & response of oil spill.

The 4th edition of this international forum; OSI 2016, India will be no exception in meeting the changing needs and interests of the global industry that it serves. Themed “Commitment, Synergy, Excellence” OSI 2016 will continue its tradition of providing a forum on stakeholder’s commitment for Environmental Sustainability, Oil Spill Preparedness & Prevention, the need for Synergy in Oil Spill Response & Excellence in Restoration efforts.

It would also showcase case studies on some of the world’s worst oil spills, and their associated risks faced by Governments, Industry, Users and the Public.

Oil Spill India 2016 will take place on 11-12 August Mumbai, aims to tackle the most prevalent issues facing the global oil spill industry. The summit agenda would stimulate learning through panel debates, technical case studies and keynote sessions that ensure that attendee’s leave with the skills and knowledge required in overcoming the challenges & risks faced by operators & stakeholders. The theme for this year’s conference is: “COMMITMENT, SYNERGY, EXCELLENCE”

Focusing on stakeholders “Commitment” for environmental sustainability, oil spill preparedness & prevention, the need for “Synergy” in oil spill response & “Excellence” in restoration efforts.
